Tailoring Solutions for Your Digitalisation Journey

“
We believe technology should enhance lives, not merely inundate our lifestyles with more gadgets.

Right Where You Are, We're On Our Way.

As a reliable IT company that offers innovative products, premium quality service, and competitive prices, we're committed to a clear goal.

Our award-winning ICT solutions leverage the best technology has to offer, founded on innovation and supported by an unwavering commitment to quality.

1 Network Modernisation & Data Centre

Leverage improved flexibility, performance, and true scalability.

Align your existing data centres with the evolving needs of your growing and transforming business. Leave the majority of the groundwork to us as we embark on the task of enhancing and refining your data centre in tandem with you - regardless of your chosen cloud option.

2 Services

From the Starting Line to the Finish Line, We're with You Every Step of the Way.

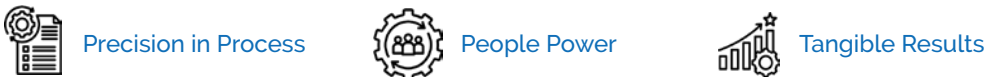

Don't fret over the finer details. For every solution, service, and offering we present, we're committed to guiding you through the transition, stride by stride.

3 Change Management

Unlock the Art of Seamless Change.

Change is inevitable, but successful change demands strategy and finesse. Awantec, your partner in transformation, brings you a tailored Change Management experience that doesn't just navigate transitions - it thrives in them.

Empowering Your Cloud Transformation

The Awantec Edge

Cloud First Transformation

Experience a seamless transition lead by certified and experienced individuals.

Technology Talent Development

Reskilling and upskilling employees with digital competencies benefiting you.

Cloud Expense Management and Optimisation

Optimising your cost without sacrificing your objectives.

Leveraging the Entire Ecosystem

A robust partner network comprising at your fingertips.

Strategy and Change Management

Meeting your organisation's needs and objectives to ensure a successful cloud transformation.

Customers Testimonial

Hybrid Workplace

After moving to Google Workspace from our previous system, our teamwork has soared. Tools like Google Meet, Google Chat, and the Calendar App have made collaboration effortless."

Education - Client

Google Workspace has been indispensable for organizing large events, both internally and externally, with over 10,000 attendees. It has kept us connected, especially during the pandemic, while reducing costs and supporting flexible remote work."

GLC - Client

Zoom has increased our productivity, allowing us to meet and collaborate anytime, anywhere."

Commercial - Client

Cloud Adoption

Google Cloud was a game-changer for our operations. It provided us with secure data access and boosted our performance using the robust Google Cloud Platform. We harnessed the capabilities of personalised front-end portals and the power of BigQuery to build data-driven platforms that opened up exciting new possibilities."

Public Sector Employee

Business Productivity

Adobe Value was spot on. It's a program with straightforward and secure management features, offering flexible terms and increasing discounts with more purchases. What's more, Adobe's top-notch encryption technology ensures our data is always safe and sound."
